### **CQC Outstanding GP Practice looking for full time practice nurse**

**No experience necessary. Willing to train right candidate.  
Competitive salary dependent on experience.**

**Woodgrange Medical Practice** is a well organised, efficient Practice, with a list size of 16000 and growing. We are based in a spacious converted bank, which has had several extensions to provide a comfortable and modern clinical environment. There are excellent transport links and we are close to the Olympic Park and Westfield shopping Centre.

As an innovative and forward-looking practice we are always looking to improve the way we deliver care. As a result we have been recipients of several national awards such as the RCGP's best clinical innovation and Pulse magazine's diabetic clinical team of the year, runner-up.

We have a strong ethos of teaching and training and have two GP Registrar's and regular medical students. We have trained a Nurse Practitioner, Practice nurse, Independent prescriber Pharmacist.

Every clinical and administrative member of staff is encouraged to develop professionally.

Although a large organisation the whole team really is a happy family. We respect, listen to and value every member of staff, as each has an important role to play in the organisation.

Once a month, we have a whole Practice lunch where we can all get together. Educational meetings occur every week with lectures provided by in house or external speakers. We also have weekly clinical meetings to discuss hot topics, difficult cases and notices.

We are looking for a full-time practice nurse to start ASAP,

The remuneration package is attractive and includes 6 weeks annual leave and one week study leave.
